## Granting Dreams Since 1983

The St Louis Chapter of the Dream Factory is a 100% volunteer, non-profit organization that has been granting 'dreams' to children suffering with life-altering illnesses in the St Louis Metro Area and surrounding suburbs since 1983.

We believe when we are able to grant a 'dream' to a child suffering with a life-altering illness, for a brief moment, we have made that moment in time a bit more bearable and perhaps made a difference in that child's life.
